Preface

Xebec Model School is very much pleased to present you an Annual Syllabus for the students, teachers & guardians. At the same time we must take the privilege to thank the teachers, guardians & all members in academic committee who invest their all out effort to make a well furnished yearly syllabus. We, of course, tried our level best to make it mistake free. Though there may have printing, spelling, grammatical & other mistakes which is totally unintentional.

We would like to invite you all to put your valuable suggestions or correction (if any) on the white page kept reserved at the end of the syllabus. Such a tiny effort of you must have a gigantic step for the development of the syllabus in the year to come.

Regards with Thanks
